**DURA FLOW**  
FLUSH TANKS

**INCREDIBLE PERFORMANCE GREAT DESIGN**  
With DURA FLOW, you can count on both.

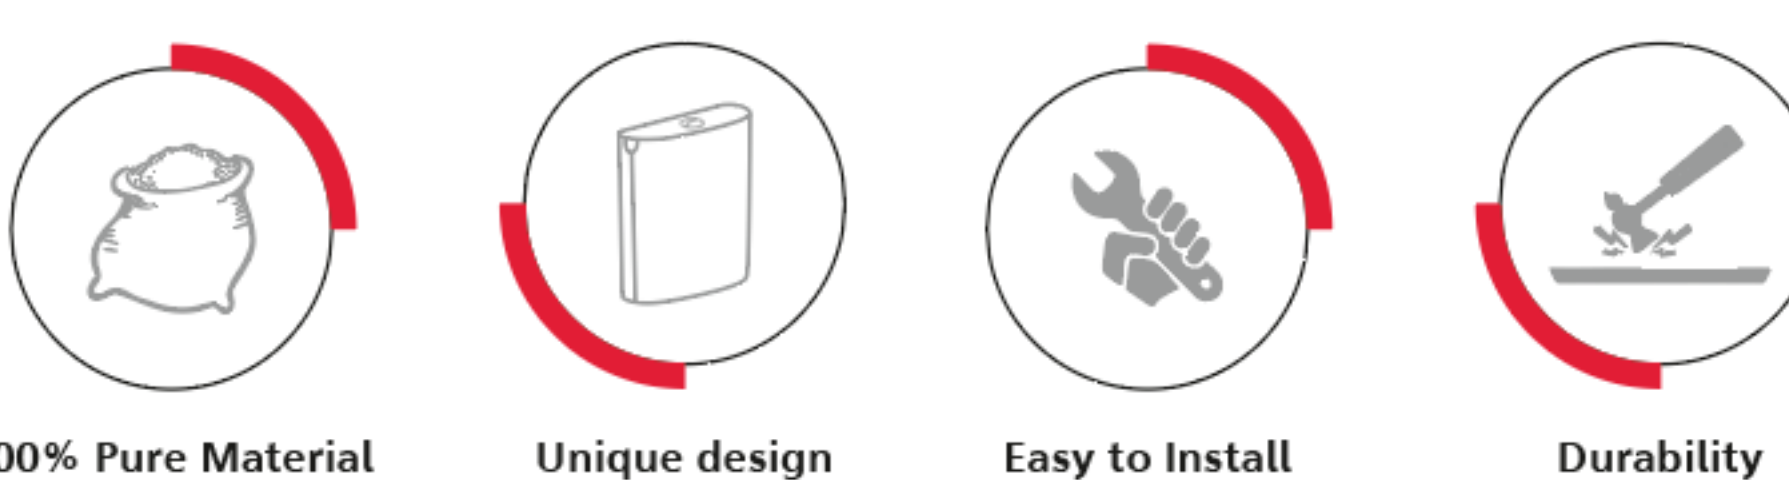

**ABOUT US**

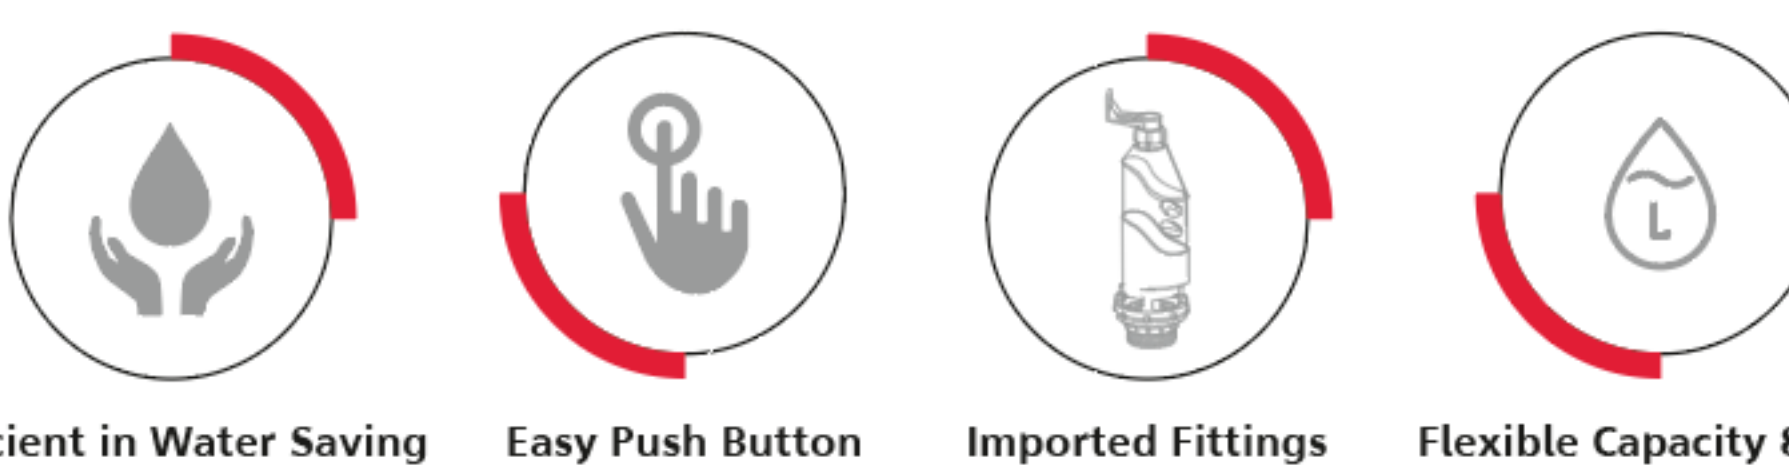

Dura water tanks has created ripples in the field of plastic products since 1992. The company has revolutionized the plastic industry by providing innovative products with highest quality standards followed by excellent after sale services. Subsequently, the brand has become consumers favourite choice and is widely accepted as a leading brand nationwide in water storage tanks, PPR pipe & UPVC fittings, garden hose pipe, road safety products and textile silver cans.

With the same dedication and commitment, DuraFlow plastic industries Pvt. Ltd. Proudly launches DuraFlow Flush tanks, a complete bathroom solution for domestic and commercial applications. Dura has always set standards in every field of its entrance, and expansion in realms of Flush Tanks would further add to its brand equity.
